Kära Vänner/Dear Friends;

The House of Sweden is a volunteer organization and is a member of the House of Pacific Relations (H.P.R.), International Cottages, Inc. Both organizations have a set of By-laws that all members must follow along with the agreement with the City of San Diego.

The House of Sweden cottage is located in Balboa Park, San Diego California and is one of several Swedish-American organizations in San Diego County. The purpose of our House is to promote Swedish social and educational programs and perpetuate and preserve the Swedish culture, customs, traditions, art, songs, dances, and language as a precious heritage for present and future generations of Swedes, Swedish-Americans and the public at large.

Membership in the House of Sweden is open to persons of Swedish birth, individuals of Swedish decent, persons married to a Swede or Swedish-American and individuals with a special interest in the Swedish Culture. The operation of the organization is dependent upon volunteering and service. Membership consists of enjoying the camaraderie of Swedish fellowship and volunteer activities that serve the HOS and promote the Swedish culture for an interested public. The HOS depends upon your volunteer service to the organization.

You have been recommended for becoming a new member of the House of Sweden. Please fill out the form and return to our Membership Chairperson (address enclosed). There is a small annual membership fee and please enclose your check for the appropriate amount along with this application.

We hope your membership will be as rewarding to you as it is for us to have you as a new member.

Hälsningar,

Carl E. Englund, Ph.D.
