Kära Vänner/Dear Friends,

The House of Sweden cottage is located in Balboa Park, San Diego California and is one of several Swedish-American organizations in San Diego County. The purpose of our House is to promote Swedish social and educational programs and perpetuate and preserve the Swedish culture, customs, traditions, art, songs, dances, and language as a precious heritage for present and future generations of Swedes, Swedish-Americans and the public at large.

The House of Sweden is a non-profit organization and is a member of the House of Pacific Relations (H.P.R.), International Cottages, Inc. Both organizations have a set of By-laws that all members must follow along with the agreement with the City of San Diego.

Membership in the House of Sweden is open to persons of Swedish birth, individuals of Swedish decent, persons married to a Swede or Swedish-American and individuals with a special interest in the Swedish Culture. It provides you with the opportunity to participate in Swedish related activities with your fellow members and to promote the Swedish culture for an interested public. The House of Sweden depends upon your volunteer service to the organization.

You have been recommended to join House of Sweden as a new member. Please fill out the form and return to our Membership Chairperson, Therese Havluciyan (address on application). There is a small annual membership fee. Please enclose your check for the appropriate amount along with this application.

We hope your membership will be as rewarding to you as it is for us to have you as a new member.

Hälsningar,

Ingrid Englund
