

## Great events at House of Sweden October 2018

The last two weekends we have two wonderful events at House of Sweden. One a new event that we hope to have again perhaps in the spring and one that we try to have twice a year.

### Music Night at House of Sweden

On Sunday October 7th, House of Sweden hosted our first Music Night. To the evening we invited everyone and anyone who wanted to sing and or play an instrument. The event turned out to be a lovely evening with live music on the patio while having snacks and dinner with friends.

### Church service and choir at House of Sweden

This last Saturday October 13th the Swedish Pastor Hans Herngren from LA visited San Diego with Cantor Mikael and his wife Lola. Singing with them was the great Swedish choir of San Diego. It was a beautiful celebration of community in spirit, love and humanity. We hope Pastor Hans have time to come down to visit us again in the spring.
